

Gavin Rimmer Appointed General Manager of The Red Wall Garden Hotel and Associate Director of Stem Boutique Hotels

14th August 2014

Stem Boutique Hotels and The Red Wall Garden Hotel are pleased to announce the appointment of Gavin Dean Rimmer into the position of General Manager and Associate Director. Gavin started his International Hotel Career over 22 years ago and brings with him a wealth of leadership skills. During this time he has progressed through the ranks to become a very skilled and sought after Hospitality Professional. He has worked with some of the top leading hotels throughout Europe, South Africa, America and The Middle East and he is now based in China facilitating the Owners of our Project Hotels, and also leading the team as General Manager of The Award Winning Red Wall Garden Hotel in Beijing. He holds a plethora of Accredited Hospitality Management Diplomas and Training Certifications which he has obtained throughout his career.

Red Wall Garden Hotel – Home of the Courtyard Bistro

Opened in August, 2010, The Red Wall Garden Hotel (www.redwallgardenhotel.com) is an oasis of tranquility in the very heart of the vibrant city of Beijing. It is located in ShijiaHutong, one of the city's most historic neighborhoods. Multiple accolade winner of the prestigious That's Beijing - "Best Boutique Hotel", TripAdvisor - "Travelers Award of Excellence" and Expedia - "Insider's Select", the hotel sets a new standard of True Boutique Hotel Experience. The "Red Wall Garden Boutique Hotel Experience" emotionally connects our guests with the intense historical, cultural and artistic life of authentic and historic Beijing.
