

Red Wall Garden Hotel wins TripAdvisor 2016 Travelers' Choice Award

January 25, 2016 – Red Wall Garden Hotel is pleased to announce that the property has been recognized as one of “**China’s Top 25 Hotels**” in the 2016 edition of the “**TripAdvisor Travelers’ Choice Awards**”.

TripAdvisor, the world’s largest travel website, recently revealed the winners of its **2016 Travelers’ Choice Awards** for hotels. Now in their 14th year, the annual awards showcase more than 7,000 properties worldwide, covering 100 countries and regions around the globe. **Travelers’ Choice Award** winners were determined based on millions of reviews and opinions collected in 2015 from TripAdvisor travelers worldwide. The hallmarks of **Travelers’ Choice** award recipients are remarkable service, quality and value.

This year Red Wall Garden Hotel was ranked the **7th Best Hotel** in the “**Top 25 Hotels – China Award**” category, a remarkable achievement.

Operated and managed by STEM™, a True Boutique Hotel Company, Red Wall Garden Hotel is proud to receive this outstanding recognition. This is already the fourth time the Beijing property has been recognized by TripAdvisor since opening its doors in 2010. These consistent, guest-based accolades are true testament to the dedication of each Red Wall Garden team member.

Mr. Gavin Rimmer, General Manager of the Red Wall Garden Hotel, expressed his gratitude: “We are very proud to receive this prestigious award. We will continue to make every effort to provide an exceptional experience and bring a true boutique hotel experience to each and every customer visiting or staying with us.”
